

- **START:** At the west end of the wooden bridge.
- Continue on the path closest to the water. The dirt path will become a paved road after you pass the Warming Hut.
- **TURNAROUND:** At **Hopper's Hands**, which is a plaque on the fence at the far end of the parking lot.
- Return back towards the Warming Hut and continue on the dirt path until the path splits in two. Bear right onto the paved path that follows along the road.
- FINISH: At the first driveway to East Beach (on your left) where you will see orange markers and a crosswalk painted on the ground.
